

```
c_parser_frontend::  
type_system::StructureType  
Interface::StructureMemberContainer  
::AddMember
```

A diagram showing a call from the `c_parser_frontend` module to the `frontend::common::ExplicitIdWrapper::InvalidId` function. A blue arrow points from the `AddMember` method in the `Interface::StructureMemberContainer` to the `InvalidId` function.

```
frontend::common::Explicit  
IdWrapper::InvalidId
```
