

```
c_parser_frontend::  
operator_node::Mathematical  
OperatorNode::GetResultOperatorNode
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'c\_parser\_frontend::', 'operator\_node::Mathematical', and 'OperatorNode::GetResultOperatorNode'. The right box is gray with a black border and contains the text 'c\_parser\_frontend::', 'operator\_node::Mathematical', and 'OperatorNode::GetComputeResultNode Pointer'.

```
c_parser_frontend::  
operator_node::Mathematical  
OperatorNode::GetComputeResultNode  
Pointer
```
